Re: In the Matter of Request for Review of a Decision of the
Universal Service Administration Corp. for
Northwood Local School District
Northwood, OH

Northwood has maintained a business relationship and contracts with Northern Ohio Education Computer Association (NOECA) for several years. Due to the closing of a building in the District, and changing needs of students and teachers, changes were made to services of NOECA. The contracts varied little from the previous year, but enough to warrant language and pricing change. Verbal agreements for the 2012-2013 school year were already in place, on the part of NOECA and Northwood when the Form 471 was filed.
